

Mind Up

Geko

When you call me-e mandem
When you call me-e mandem
Ri-ise up

I'm not that type of jigga, to sit around an' wait for you
My baby, I am bigger, and realer

Make your mind up, when you call me-e
Mandem, wise up
Make your mind up, mind up, mind up (mm-m-m-mm)
Make your mind up, mind up, mind up (mm-m-m-mm)
Make your mind up, mind up, mind up

When you call me-e mandem
When you call me-e mandem
Ri-ise up

Rude girl, I ain't stayin' on the waitin' list, hmm-m-m-m-m-m
I don't know where your fingers is, ah-h-h-h-h-h
Make your mind up real qui-ick
Waiting makes me si-ick

Talking dat and dis and dat
Dat and dis and dat
If I take you 'round the world
I don't think I will bring you back

How can I wid your body
Good to kno-ow that

I'm not that type of jigga, to sit around an' wait for you
My baby, I am bigger, and realer

Make your mind up, when you call me-e
Mandem, wise up
Make your mind up, mind up, mind up (mm-m-m-mm)
Make your mind up, mind up, mind up (mm-m-m-mm)
Make your mind up, mind up, mind up

When you call me-e mandem

For this life I cannot cha-ange
I'll always remain the sa-ame
I don't want you changin'
It's the life you savin'

Talking dis and dat and dis
Dis and dat and dis
I'll just make sure I can bounce
Before you try to take the piss

It's me you'll always miss
Get to kno-ow dis

I'm not that type of jigga, to sit around an' wait for you

My baby, I am bigger, and realer

Make your mind up, when you call me-e

Mandem, wise up

Make your mind up, mind up, mind up (mm-m-m-mm)

Make your mind up, mind up, mind up (mm-m-m-mm)

Make your mind up, mind up, mind up
