Nowadays

Geko

Nawh, I never roll nowadays, been snakes on my case
On my toes nowadays, searchin' around tryna blow our name up
Findin' the ways, got me slow nowadays
Yeah the streets are kinda cold nowadays
Got lil' kids shotin' off stones nowadays
Yeah the streets are kinda mad nowadays
Talk shit, get hit, with the chrome nowadays
Yo, That's why nowadays I'm kinda lonely
I CBA answerin' calls when they phone me
Music is my brudda, brudda, money is my hommie
I'm feelin' like a turtle, movin' kinda slowly
And all my so called brudda's gettin' used to me
And yeah I'm still that cheeky shit that I used to be
And yeah I'm still that lil' Geko from the block
And I ain't tryna dress up and be sometin' that I'm not
So I'm here in this life, its a fight full of strife
Only me and ya mic, every night, on my grind
I'm tryna make my pockets fat, tryna make it right
If I don't then lord please take me to the sky
Nawh, I never roll nowadays, been snakes on my case
On my toes nowadays, searchin' around tryna blow our name up
Findin' the ways, got me slow nowadays
Yeah the streets are kinda cold nowadays
Got lil' kids shotin' off stones nowadays
Yeah the streets are kinda mad nowadays
Talk shit, get hit, with the chrome nowadays

I tell my people we got work to do
Stop sayin' that ya poor
Now my life's so different, niggas can't relate to me no more
I told my mum I'm trapped in the struggle, I hate it, out my hole
Just know I'm doin' what I got for the the paper till I'm a blow
She sees it in my eyes, I'm going crazy, yeah I know
But I promise I'll succeed and we're escapin' with the dough
I've got my girl in my heart, and my hearts in the game
And it don't take a genius to see blatantly its broke
And I'm the favourite nigga, so the ladies wanna roll
Even though they know my ways, yeah I'm the biggest on the road
Its impossible to stop me till they change me to a ghost
I got a rebel, a survivor, and a great hole in my soul

Nawh, I never roll nowadays, been snakes on my case
On my toes nowadays, searchin' around tryna blow our name up
Findin' the ways, got me slow nowadays
Yeah the streets are kinda cold nowadays
Got lil' kids shotin' off stones nowadays
Yeah the streets are kinda mad nowadays
Talk shit, get hit, with the chrome nowadays
Nawh, I never roll nowadays, been snakes on my case
On my toes nowadays, searchin' around tryna blow our name up
Findin' the ways, got me slow nowadays
Yeah the streets are kinda cold nowadays
Got lil' kids shotin' off stones nowadays
Yeah the streets are kinda mad nowadays
Talk shit, get hit, with the chrome nowadays
