

# What's Up?

Geko

Tell my neighbours call the police I don't care  
It's a celebration about to turn it up in here  
Look how far we really came up in this year  
I could fuck like every bitch around I don't care

Geko pick & choose  
They call me pick & choose  
I might roll up to the party and then pick & use  
Take her home dick her down and then dip & cruise  
Dip & move  
Oh now she stripping oh  
Mow she stripping oh  
Now I'm drinking oh  
Got her thinking oh

No gyal drama I got beaf for mandem that really want beaf  
Most of them are singing they be talking to police  
Mum was really angry when they kicked me out college  
Now I'm making money me and my colleauges

No gyal drama I got beaf for mandem that really want beaf  
Most of them are singing they be talking to police  
Mum was really angry when they kicked me out college  
Now I'm making money me and my colleauges

They call me pick & choose  
Make a gyal get up her feet and go and make some food  
I was hungry but that gyal yeah she want some bud  
She said its really good  
Then I told her move  
Now she screwing oooh

Now I'm moving slower

Most of them are singing they be talking to police  
Mum was really angry when they kicked me out college  
Now I'm making money me and my colleauges

No gyal drama I got beaf for mandem that really want beaf  
Most of them are singing they be talking to police  
Mum was really angry when they kicked me out college
