

## Word

Geko

They ask me if I got them til the end  
I said word  
They ask me if he's more than a friend  
I said word  
They asked if Skizzy's almost out of pen  
I said word  
He asked if I had money he can spend  
I said word

It was sunny I was chilling with the brothers laid back  
I said I love you to my bro I swear he said the same ack  
We was talking, havin' laughs about the times and way back  
And then we didn't speak for ages I wish I could take back  
I even made you speak to Skizzy on the phone  
Just to let him know we talk again  
And his sentence was really made back  
He was smiling for days  
And we was miles away  
He told me he missed me and the [?] really hate that  
I guess that time is not refundable  
I couldn't take back  
You got a phone call  
You told me you'll be back in a sec  
Few hours go past  
He never came back  
Then I got a phone call  
He never came back  
I said how, what, where, when  
He never came back  
You know how your soul is not yours and it's borrowed  
Well it was his time  
And god had to take that  
Look, and God had to take that  
Me, Sied Mo Eazy and Zack  
We were stood right here with him  
Please bring him back  
We was confused and crazy  
I even have pictures of me and you when we were baby  
Lord please save us  
I'm like Lord please save me  
I don't even know what to think about lately  
It's all gone mad  
Every good event now has all gone bad

If I had no money would you pay  
He said word  
If I was next to go would you pray  
He said word  
If I'm in hospital would you stay  
He said word  
Do you even think about me through the day  
He said word  
They ask me if I got them til the end  
I said word  
They ask me if he's more than a friend  
I said word  
They asked if Skizzy's almost out of pen

I said word  
He asked if I had money he can spend  
I said word
