

# 1 Deal

Gelo

Yeah, yeah (One deal)  
One deal, yeah (One deal)  
Sayin' I'm in the devil, caught 'em prayin' I get killed

All I need is one deal, hundred M's, came in this bitch by myself  
Now I see the world through my eyes, so I don't need no help  
I ain't makin' NBA dough, then, yeah, he not a player  
Yeah, one deal  
All I need is one deal, hundred M's, came in this bitch by myself  
Now I see the world through my eyes, so I don't need no help  
I ain't makin' NBA dough, then, yeah, he not a player  
Yeah, one deal, uh

Bitch, don't you try to hate on me 'cause you hatin' on yourself  
And don't you try to play with me 'cause 2K bless your ears  
Diamonds in this chain are boogyn' like a chandelier  
Nigga, I say play it safe, you push me, you might end up killed  
Real spill, think they knowin' what I feel  
I say beware, I be movin' with no fear  
Talkin' like you know my life, you bitches were never here  
Sayin' I'm in the devil, caught 'em prayin' I get killed

All I need is one deal, hundred M's, came in this bitch by myself  
Now I see the world through my eyes, so I don't need no help  
I ain't makin' NBA dough, then, yeah, he not a player  
Yeah, one deal  
All I need is one deal, hundred M's, came in this bitch by myself  
Now I see the world through my eyes, so I don't need no help  
I ain't makin' NBA dough, then, yeah, he not a player  
Yeah, one deal, uh

Stogie got me floatin', but I still like to get active  
This bitch havin' motion, now it's shots for target practice  
Let 'em talk some more shit like they narrated for actors  
These niggas never know shit, why you act like they speak facts, bitch  
h?  
Ah, still tryna tax shit  
Boogers in my AP like my wrist is Mucinex, bitch  
Ayy, where the next bitch? It's too much disrespect, bitch  
These niggas keep dissin' me, but can't go track for track, bitch

All I need is one deal, hundred M's, came in this bitch by myself  
Now I see the world through my eyes, so I don't need no help  
I ain't makin' NBA dough, then, yeah, he not a player  
Yeah, one deal
