

PSA, I'm grown as fuck, you niggas got me fucked up, I'm nuttin' up  
M's are what you chattin'? Cool, I'll call your bluff  
Sayin' I change my voice for views, this how I buck up at the gums  
Ho, I don't like your point of views, I put my trust in the holy one  
When it's fun, these niggas active, when it's dark, it get lonely  
The whole world against me like my body be the ocean  
All I see is envy when I wake up to some more shit  
Swervin' in the Ghost, we did shit while havin' motion

And I ain't gotta say shit, if you don't love me, then hate me  
Fuck what I'm feelin', but, bitch, don't turn this on my babies  
Not a deadbeat, but so much beats up, bitch, I'm Tay Keith  
See the portrait that they tryna paint, a villain of a G (Of a G)  
I see how they doin' me, that pain, it start to brew in me, that's why I keep it cool with heat  
Say you got some older niggas, get 'em, fuck the love from me (Fuck 'em)  
Get dirty tryna mold a nigga, bitch can never make a G (Can't make a G)  
Pain from my heart leakin' down my sleeve (Down my sleeve)  
The red run real dark, drip through the pen, I bleed (I bleed)  
Bitch say my music weak, huh? Like why you trollin' me?  
No one can get a hold of me, on TV, no controllin' me

Every time I got opinions, bitch, you wanna go against 'em  
I ain't friendly, fuck your feelings, bitch done turned me to a gremlin  
I been steady trippin', grippin' on this pistol  
Everybody gotta mention 'til they ass'll come up missin', uh, uh (Missin', missin')  
Like what's the issue, though?  
Make it harder to miss you like I dropped a target missile on your ass, ho  
By any means, get to that bag, though  
A large amount of cash flow help when I act an asshole  
It's me in the flesh  
Extraterrestrial, you rockin' with the best  
In the fuckin' town, I see they upset  
Boy, your blood unprofessional, let's see who lose it next (Who lose it next)  
)
