

Tweaker

Gelo

(Glizock, pop your shit, boy)
Watch over your shoulder, nigga
Shit get real out here, fool
Ah
(KUNICA on the beat)

I might swerve, bend that corner, woah
Bitch, hold on tight 'cause I'll tweak in this bitch, start lettin' shit go
And I heard that she wanna show
Me who she be, I'm kinda fuckin' with it, show me some more
Bitch, we tatted head to toe, could give a fuck, the story wrote
You wanna tweak? Get up with me and I'ma show you how that go
Like the money in my pockets, blow
They havin' convos about me, these pussy niggas don't know

Tell me what they talkin' 'bout, I ain't fuckin' listenin'
Let your thoughts run your mouth, but ain't touchin' dividends
Nigga, I ain't from the South, but kick it with my Memphis twin
Nigga, I can't take a loss, I'm always goin' for the win (For the win)
I been geeked up in this booth, I got my blunt packed for the starter
Nigga, don't be here actin' new, they'll put some holes all through your body
I'm like "Oh, them hoes is cool, let 'em in if that shit water" (Water)
See a nigga actin' bothered, got my green light to red dot 'em (Red dot, red dot)
If you spot me, ho, I'm sorry, I can't take you, it get gnarly (Get gnarly)
Look like your nigga want smoke, well, we gon' do this shit regardless (Regardless)
And I started from the bottom, just like you, but I was harder (Way harder)
I came up a fuckin' soldier, nigga, shout out to my father (Shout out my father)
Ah-ah
He made sure I'll make it farther
Ah-ah (Ah-ah-ah-ah)
My trust in God, Glocks, and dollars

I might swerve, bend that corner, woah
Bitch, hold on tight 'cause I'll tweak in this bitch, start lettin' shit go
And I heard that she wanna show
Me who she be, I'm kinda fuckin' with it, show me some more
Bitch, we tatted head to toe, could give a fuck, the story wrote
You wanna tweak? Get up with me and I'ma show you how that go
Like the money in my pockets, blow
They havin' convos about me, these pussy niggas don't know

With my evil twin, all black hoodies, we hit the streets again (Hoodies)
He don't like attention, he'll tweak and get to reapin' shit
What your ass expect? We drove the whole way in a Demon, bitch (Demon)
He'll pop out, won't think twice and make you greet the switch (Pop out)
Ah-ha-ha, is you sure you wanna meet that bitch?
If I see ill intentions, we'll make sure you get to bleedin' quick (Bleedin')
All exotic whips, the whole damn gang be in some rocket ships (Rocket ship)
Pull up to the scene, my best advice is to hide your bitch (Hide your bitch)
I can see the lies all on your face because your eyes'll twitch (Twitchy, twitchy)
The black ski mask all on our fuckin' faces be disguisin' shit (Disguise)

I might have my way with your bay-bay, you wanna cry and shit
Rest my Glock against her fuckin' waist, I got some pottery
Ah-ah, ah-ah
She my bitch now, my apologies
Don't need no more enemies, you rock with me? Then rock with me
But I'ma keep it real, she lost respect when you said, "Follow me"

I might swerve, bend that corner, woah
Bitch, hold on tight 'cause I'll tweak in this bitch, start lettin' shit go
And I heard that she wanna show
Me who she be, I'm kinda fuckin' with it, show me some more
Bitch, we tatted head to toe, could give a fuck, the story wrote
You wanna tweak? Get up with me and I'ma show you how that go
Like the money in my pockets, blow
They havin' convos about me, these pussy niggas don't know
