

Amazing

Gemini

[Big Gemini:] Now from your lips to your hips
From your walk to your talk

[Ace 1:] Bitch, you was amazin'
I can't explain it, little mama

[Big Gemini:] You must be somethin' to me
Stuck in my head

[Ace 1:] And the way that you movin'
It's makin' wanna

Oooh

And oooh, yeah

Bitch, you got me on fire

There's no denyin' it

Mama

Oh, I don't need no wife or no kids

I'm just try see what the business is

Oooh, yeah

From so far

Just tryin' to get to know you, girl

And bring ya ass into Gem's world (But hold on)

I do this shit like no other

Ice cold in the summer

Iceberg colored, how much you know, muh'fucker

Now back to ya

Look at that ass on ya

You said, "I made you with a little extra somethin' on ya"

Well, I can tell what you meanin' when you strollin' by

And I agree cause that ass, she got my Hypnotized

You so exotic, so erotic, if you got it girl, flaunt it

Say you got them goods, where them goodies, I want it

Just a little sample, but there's time for that

No need to rush and try to tackle down your quarterback

Let's take it

Slow and easy and coast in slow motion

Ride shotgun and you could sip that love potion

It's just somethin' 'bout ya ass

I can't lie

But I'm a put my fingers on it where

I'm a try

[Big Gemini:] Now from your lips to your hips
From your walk to your talk

[Ace 1:] Bitch, you was amazin'
I can't explain it, little mama

[Big Gemini:] You must be somethin' to me
Stuck in my head

[Ace 1:] And the way that you movin'
It's makin' wanna

Oooh

And oooh, yeah

Bitch, you got me on fire

There's no denyin' it

Mama

Oh, I don't need no wife or no kids

I'm just try see what the business is

Oooh, yeah

I'm just tryin' to
Figure out where we go from here
My place or your place
And if she got a man (I understand)
I ain't try to make you mine, baby, press rewind
She told me herself, "You need excitement in your life"
So let's ride
Those lips, that face, it's just somethin' about it
And that look you just gave, oh, you ain't shy 'bout it
I know you ready, baby
You know I'm ready, too
You say you got them goods, well, we gon' see if it's true
Hop out the ride, time to sip some more
And we can get better acquainted on the bed or the floor
I ain't bangin' slow jams, I'm bangin' UGK
I'm sayin', "Take It Off, chick, bend over, let me see it"
Hey
Hey
That's what the business is
You a rider, baby girl, you know what time it is
It's just somethin' 'bout ya ass, though
I can't lie
But I'm a put my fingers on it where
I'm a try
