

And You

Gemini

If I, I get to know your name
Well if I, could trace your private number, baby

All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
I want some, want some

I set my sights on you
(And no one else will do)
And I, I've got to have my way now, baby

All I know is that to me
You look like you're having fun
Open up your lovin' arms
Watch out here I come

You spin me right round, baby
Right round like a record, baby
Right round, round, round
You spin me right round, baby
Right round like a record, baby
Right round, round, round

I, I got to be you

Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round
You spin me right round, baby
Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round
You spin me right round, baby
Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round
You spin me right round, baby
Right round like a record, baby
Right round, round, round
