

Feel Stronger

Gemini

Sometimes I feel weaker
When my head hits the speaker
Sometimes I feel stronger
When I wanna make it long, long

Beat is around me
Kicks and snares
No boundaries
When the love
Of the music
Take me low... Low (33x)
Take... (28x)
Take me low... Low (28x)

Sometimes I feel weaker
When my head hits the speaker
Sometimes I feel stronger
When I wanna make it long, long

Beat is around me
Kicks and snares
No boundaries
When the love
Of the music
Take me low... Low (34x)

Feel like I'm stronger
Live a little longer
As I fight for the music
Let me take control, 'trol, 'trol
Strike you
Let nobody stop
You flow to the music
Let it flow... Flow (35x)
