Gemini

Shawty

Yeah  
That's my shawty  
Yeah

Ooh, that's my shawty  
Ain't no one like that  
Thats Down to ride for me  
Ooh-oooh-oooh-oooh  
Only one I need  
Would take the rap for me  
Try to holla at a mayne  
She won't even speak, cause  
That's my shawty  
Ain't no one like that  
Thats Down to ride for me  
Ooh-oooh-oooh-oooh  
Only one I need  
Would take the rap for me  
My girl, my heart, my world, man  
That's my shawty

My shawty hold me down  
Connected to the ground  
When money wasn't there  
She didn't care, shit, she stuck around  
Do all the tears she cried, pain that I cause inside  
I  
Owe you, baby, for stickin' by  
My side  
Whoa-oh, oh  
Even when your family didn't want you with me  
Said, "Baby, don't believe him  
He only out there cheatin'  
He only want one thang, and once he get it, girl  
He leavin'  
That's my  
Sh, oh-or-ty, eh-eh  
Eh-eh, eh-eh

Ooh, that's my shawty  
Ain't no one like that  
Thats Down to ride for me  
Ooh-oooh-oooh-oooh  
Only one I need  
Would take the rap for me  
Try to holla at a mayne  
She won't even speak, cause  
That's my shawty  
Ain't no one like that  
Thats Down to ride for me  
Ooh-oooh-oooh-oooh  
Only one I need  
Would take the rap for me  
My girl, my heart, my world, man  
That's my shawty

Some find it hard to say this  
But me, I choose to say it  
I praise the good that God has gave me with no hesitation  
Regardless, what it is  
The smallest or the largest gift  
I thankful for it, sold it for  
I treat it like it's heaven sent  
And shawty, that's just what you are  
I couldn't ask you for nothing more  
Treat me good and treat me right  
And look way past all of my flaws  
Cause I ain't perfect, ma  
You know that I'm far from that  
From thangs that I did in my past  
To make your heart shatter like glass  
But now, it seems as though a change gon' come  
And a change gon' be  
In the form of a son  
Cause now my shawty  
Fin' to have my shawty  
That means my baby fin' to have my baby for me  
Oooh yeah

Oooh, that's my shawty  
Ain't no one like that  
Thats Down to ride for me  
Oooh-oooh-oooh-oooh  
Only one I need  
Would take the rap for me  
Try to holla at a mayne  
She won't even speak, cause  
That's my shawty  
Ain't no one like that  
Thats Down to ride for me  
Oooh-oooh-oooh-oooh  
Only one I need  
Would take the rap for me  
My girl, my heart, my world, man  
That's my shawty

That'll let your man know you on the right track (Right track)

And I done been through pain  
But I done say no to change  
When I find my shawty
