Gemini

Why should we tolerate pansy faggot shit  
Not even in an animal world male sucks male dick

Crawl back under the rock you faggots came from  
This is real fucking world, fuck you inferior rights!

Zero tolerance, no fucking rights  
Monkey fucks monkey, punishment is A.I.D.S.

It is disgusting!!

Listen you fucking homo boys, your time has come  
And if you are a lesbian, you still got a cunt to rape

It is unnatural!!
