

# Ran For Miles

Gemma Hayes

Well, I got myself a new day and I got myself a second chance  
So I headed to the bus stop and the sun, the sun was warm on my  
back

Today, I ran for miles just to see what I was made of  
Today, I ran for all that was mine

Well, I got myself a song inside and I got myself some full blo  
wn daylight  
Wanna tell you just how hard it's been trying to talk myself ou  
t of jumping

Today, I ran for miles just to see what I was made of  
Today, I ran for all that was mine, yeah

Today, I ran for miles just to see what I was made of  
Today, I ran for all that was mine, just to see what I was made  
of  
Today I ran for all that was mine, yeah
