

## 32 Feet and Eight Little Tails

Gene Autry

Gallopin' Gallopin' Gallopin' Gallopin'  
Gallopin' Gallopin' Gallopin' Gallopin'

Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner,  
Blitzen,  
Over the moon so bright  
Thirty-two feet and eight little tails of white,  
Hurry, hurry, hurry through the night,

Gallopin' Gallopin' Gallopin' Gallopin'

Ol' Saint Nick he works so quickly leavin' toys for  
girls and boys.

Then over the roof so high  
Thirty-two feet and eight little tails they fly,  
Faster, faster, faster through the sky.

Oh! Look at 'em go, (go, go, go)  
Santa's laughin'.  
Ho, ho, ho, ho, ho, ho, ho,

Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner,  
Blitzen,  
Over the garden wall.  
Thirty-two feet and eight little tails in all.  
See 'em canter, hear ol' Santa call,  
"Merry, merry Christmas to you all."

Oh! Look at 'em go, (go, go, go, go)  
Santa's laughin'.  
Ho, ho, ho, ho, ho, ho, ho,

Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner,  
Blitzen,  
Over the garden wall,  
Thirty-two feet and eight little tails in all  
See 'em canter, hear ol' Santa call,  
"Merry, merry Christmas to you all."
