It Makes No Difference Now

Gene Autry

Makes no difference now
What kind of life fate hands me
I'll get along without you now, that's plain to see
I don't care what happens next
'Cause I'll get by somehow
I don't worry 'cause
It makes no difference now

It was just a year ago when
I first met you
I learned to love you
And I thought you'd love me, too
But now that's all in the past
And I'll forget somehow
I don't worry 'cause
It makes no difference now

Now that we have really parted
I can't believe we're through
I don't blame myself
And sure I can't blame you
There was something had to
Happen and it happened somehow
I don't worry 'cause
It makes no difference now

After all is said and done
I'll soon forget you
Although I know that it will
Be so hard to do
Let things happen as they
Will and I'll get by somehow
I don't worry 'cause it
Makes no difference now
