

You're the Only Good Thing

Gene Autry

Are you taking that I wasn't meant for you
Could it be you believe that I've been untrue
Well listen sweetheart that just cannot be true
'Cause you're the only good thing that's happened to me

We have our ups and downs like all lovers do
But you know in your heart that I worship you
So don't ever think of setting me free
'Cause you're the only good thing that's happened to me

If you ever maintain that I don't love you
That I'm not satisfied with the things that you do
I want you to know and please understand
There's nothing in this world worth the touch of your hand

We have our ups and downs like all lovers do
But you know in your heart that I worship you
So don't ever think of setting me free
'Cause you're the only good thing that's happened to me
That's happened to me
