

Rainbow '80

Gene Chandler

There's a rainbow in my heart
That reminds me of how we parted
And I, I know my love is gone forever
But deep down in my heart I'll love her forever
There's a rainbow, ohh in my heart
Baby, baby, baby, come on my baby
Now listen to me
I'm down on my knees, oh, yeah, yeah, yeah, yeah, yeah
Please listen to my plea, oh, yeah, yeah, yeah
I'm looking up above oh, yeah, up above
Praying for your love
Baby, baby, baby, come on now my baby
Come on stop this rainbow
Come on now baby, and stop this rainbow
And I know the things I done to you was wrong
I'm asking you to give me one more chance
Just one more chance to prove to you
That I know I was wrong
And I realize now baby, and I realize now baby
That love only comes once and when it comes you better grab it

'Cause it may not come no more
And I'm askin' you baby, and I'm askin' you baby
And I'm askin' you baby, and I'm askin' you baby
I'm askin please, please, please, please, please
Baby, baby, baby
You look so good this evening baby
Sometimes when I look out at you baby
I feel like I just want to, I just want to
I just want to reach out to you
I just want to reach out to you
I just want to reach out to you
I just want to reach out to you
I just want to reach out to you
I want to reach out and bite, yeah
And I just want to ask you one thing baby
And I just want to ask you one thing baby
I just want to ask you one thing
I just want to ask you one thing
I just want to ask you one thing, one thing baby
I want you to stop, stop this rainbow in my heart
