Git It On Brother

Gene Clark

```
Listen to me sinner don't you want to go
For someday He's coming back again you know
If the wrong ain't rightened you'll be lost in sin
Git it on brother he will take you in

Now git it on brother if you want to go home
Get on your knees and righten that wrong
Soon you'll be singing that old time song
Git it on brother if you wanna go home

Oh listen to me Satan I have rightened that wrong
Bought a one way ticket and I'm going home
I ain't got no worries while I sing this song
Git it on brother if you wanna go home

Now git it on brother if you want to go home
Get on your knees and righten that wrong
Soon you'll be singing that old time song
Git it on brother if you wanna go home

If I could tell you brother just how I feel
Then you'll know the love of God is real
And you would be praying while I sing this song
Git it on brother if you wanna go home

Now git it on brother if you want to go home
Get on your knees and righten that wrong
Soon you'll be singing that old time song
Git it on brother if you wanna go home
