

# You Wonderful You

Gene Kelly

I'm glad I met you  
You wonderful you  
I can't forget you  
You wonderful you  
You're like a breath of spring  
A whole new thing that's happened  
And without much adue  
I look at you and  
There stands love  
My arms around you  
That's wonderful too  
So glad I found you  
You wonderful you  
Remember  
Finders' keepers  
Losers weepers  
And because it's true  
You're mine now  
You wonderful you
