

# Vagabond

Gene Loves Jezebel

The vagabond said "Bless my soul  
So pleased to meet you  
'Cause the sting in your tail  
As you come off the rails  
It's like a stepping stone"  
It's in your head  
It's all in your head

Turn around, turn around  
Face me, face me  
Turn around, kiss me  
Turn around, turn around  
Face me, face me  
Turn around, kiss me

Lackaday how are you  
I've had such a pleasant stay  
I'll call again some other time  
I must be on my way  
I feel it in your head  
It's in your head

Turn around, turn around  
Face me, face me  
Turn around, kiss me  
Turn around, turn around  
Face me, face me  
Turn around, kiss me

Turn around, turn around  
Face me, face me  
Turn around, kiss me  
Turn around, turn around  
Face me, face me  
Turn around, kiss me

You are just the girl  
I've always wanted

Then you love me  
Till your last breath blows me away  
You know what it takes  
We don't need to fake  
I'll tell you again  
It's all in your head  
It's in your head  
It's all in your head

Turn around, turn around  
Face me, face me  
Turn around, kiss me  
Turn around, turn around  
Face me, face me  
Turn around, kiss me

(repeat to fade)
