

Anna-Annabelle

Gene Vincent

Anna-Annabelle why don't you treat me nice
When I try to kiss you baby, you're as cold as ice
Oh, Anna-baby why do you treat your daddy mean?
You are the cutest girl that I have ever seen

Anna-Annabelle don't make me out a fool
You don't even speak when we pass by at school
Oh, since the day you told me that our love is through
I'm a-goin' crazy gal I don't know what to do

Anna-Annabelle don't make me out a fool
You don't even speak when we pass by at school
Oh, since the day you told me that our love is through
I'm a goin' crazy gal I don't know what to do
