

Be Bop Boogie Boy

Gene Vincent

Well, there's Danny boy lives down the street
And he says this every time we meet

I'm the be bop boogie boy
Well, the be bop boogie boy
Well, the be bop boogie's done gone all over this town

Yeah, now he sees the boy that does it good
He does it like everybody should

Well, he's the be bop boogie boy
Well, the be bop boogie boy
Well, the be bop boogie's done gone all over this town

Yeah!

Yeah, he sees the boy that does it good
He does it like everybody should

Well, he's the be bop boogie boy
Well, the be bop boogie boy
Well, the be bop boogie's a-goin' all over this town

Yeah well, he's the be bop boogie boy
Well, the be bop boogie boy
Well, the be bop boogie boy
Well, the be bop boogie boy
Well, be bop boogie's done gone all over this town
