

# Good Lovin'

Gene Vincent

Uh huh, good lovin', uh huh, good lovin'  
That's what you gonna get  
For foolin' around with me

Uh huh, good lovin', uh huh, good lovin'  
There's gonna be lovin' tonight you'll see

Well, my love is like a small dog  
You can keep her all the time  
The more I think of you my love  
The higher my temperatur climbs

Uh huh, good lovin', uh huh, good lovin'  
That's what you gonna get  
For foolin' around with me

Well, my love is like an apple  
Gettin' sweeter every day  
The more I think of you my love  
The more I'm carried away

Uh huh, good lovin', uh huh, good lovin'  
That's what you gonna get  
For foolin' around with me

Uh huh, good lovin', uh huh, good huggin'  
That's what you gonna get  
For foolin' around with me

Uh huh, good huggin', uh huh, good huggin'  
There's gonna be lovin' tonight you'll see  
Yeah, there's gonna be lovin' tonight you'll see
