

# Hot Dollar

Gene Vincent

Oh, I got a hot dollar  
And I wanna spend it all on you, a-ah  
I got a hot dollar  
And it's burning my fingers blue, a-ah  
We're gonna rock'em up, high an' low

I got a hot dollar  
And I wanna spend it all on you  
I got a hot dollar  
And I'm ready for a cool good time, a-ah

I got a hot dollar  
And I wanna spend the last ten dime, a-ah  
So order anything you see  
Tonight the world belongs to me

I got a hot dollar  
And I'm ready for a good good time  
A jump back and a let us through  
We got some wheelin' an a dealin' to do

When I step in my new sportscar  
They're gonna think that I'm the Maharajah  
With a hot dollar we can 'ave a fair swinging day, a-ah  
I got a hot dollar  
And I got to let you celebrate

I got a hot dollar  
And I wanna spend it all on you  
I got a hot dollar  
And I'm ready for a cool good time, a-ah
