Gene Vincent

Maybe  
You think it's funny  
Leavin' me all alone, a-ah

Maybe  
I think it's funny  
When you ask me to come on home

I know  
That you're the one that I'm thinking you know  
I know  
That you're the one that I'll always love

Maybe  
You think it's silly  
If I talk to you this way

Maybe  
You think it's silly  
When I talk to you this way

Maybe  
I think it's silly  
When you ask me to come home

Maybe  
You think it's funny  
Leavin' me the way you did
