

Mitchiko From Tokyo

Gene Vincent

A mate watashi no kodomo

Well, Mitchiko from Tokyo
Land of the rising sun
Mitchiko, my Mitchiko
She's my number one

She gave her heart to a lonely boy
From across the sea
And though he's far away from home
He's as happy as can be

One guy left his geisha-girl
One left his fräulein
But when I leave her here, my Mitchiko
Is gonna tag right along behind

Mitchiko from Tokyo
Land of the rising sun
Mitchiko from Tokyo
She's number one
Jerry

Well, Mitchiko she don't speak a-English
She just speak a-Japanese
My Mitchiko she don't need a-Engligh
To know what it takes to please

Well, Mitchiko from Tokyo
Land of the rising sun
Mitchiko, my Mitchiko
She's number one
