

Pickin' Poppies

Gene Vincent

Poppies as a flowers is pretty but true what'd they do love
Do to you, love, do to you
I'd like to see you when you're only, you love
What you're tryin' to do, love
What you're tryin' to do

I take your to love in I tried to do the right thing by you
(No, no, no, no) yeah
Pretty is as pretty does
And I love you because
You were all around and say
Funny things that sound this way

Poppies as a flowers is pretty but true what'd they do love
Do to you, love, do to you

Poppies as a flowers is pretty but true what'd they do love
Do to you, love, do to you
Do to you, love, do to you, love
Do to you, love, do to you, love
