

That's The Trouble With Love

Gene Vincent

(She says yes) every time I hold her tight
(She says no) each time we kiss goodnight
(She says yes) when I ask her for a dance
(She says no) when it's time to make romance

(That's the trouble with love) yeah yeah
(That's the trouble with love) oh yeah, the trouble with love
You got me so mixed up
I don't know what I doin'
That's the trouble with love

She says stop, when I try to walk away
She says go, when I feel I want to stay
She says stop, when I feel I want to reach the floor
She says go, when I ask for one kiss more

(That's the trouble with love) yeah, yeah
(That's the trouble with love) oh yeah, the trouble with love

You got me so mixed up
I don't know what I'm doin'
That's the trouble with love
Monday you're gonna leave me
Tuesday you're gonna need me
Wednesday you're gonna love me
Baby make up your mind

(She says yes) every time I walk her home
(She says no) at night when we're alone
(She says stop) when it's time for me to go
(She says go) when I say I love you so

(That's the trouble with love) yeah yeah
(That's the trouble with love) oh yeah, the trouble with love
You got me so mixed up
I don't know what I'm doin'
That's the trouble with love

(She says yes) every time I walk her home
(She says no) at night when we're alone
(She says stop) when it's time for me to go
(She says go) when I say I love you so

(That's the trouble with love) yeah yeah
(That's the trouble with love) oh yeah, the trouble with love
You got me so mixed up
I don't know what I'm doin'
That's the trouble with love
