

Time Will Bring You Everything

Gene Vincent

Time will bring you love
Time will bring you love
Be waiting, be patient, be true, my love
Time will bring you love

Time will bring you happiness
Time will bring you happiness
Be waiting, be patient, be true, my love
Time will bring you happiness

Time will bring you everything
Time will bring you everything
Be waiting, be patient, be true, my love
Time will bring you everything

Wait, be patient, be true my love
Wait, be patient, be true
