

# Weeping Willow

Gene Vincent

Why do  
You weep, dear willow  
Why do  
Your branches hang so low  
Is it cause you know  
A secret  
That no other tree told me

I've lost my love, dear willow  
Have you lost your love too  
Is that what you cry to me  
Are you saying you're lonesome [?]

I lost my love  
You lost your love  
I've lost my love  
You've lost your love  
Why do you weep  
Dear willow  
Cause that's why your branches hang so low
