

## Eli Funkelby

Gene Watson

Eli Funkelby's Groceries, Gas and Used Cars  
Coffee and ice cream to big nickel candy bars  
A jukebox full of them singing Nashville stars  
Eli Funkelby's Groceries, Gas and Used Cars

Autographed pictures tacked all over the wall  
Old Hank at the top 'cause Hank's the only one that are  
It's hard to believe so many pickers made it this far  
At Eli Funkelby's Groceries, Gas and Used Cars

Well, you can see his big sign shining from miles away  
Made out of knotty pine with big wide words that say  
"Rely on Eli, the service is better by far  
At Eli Funkelby's Groceries, Gas and Used Cars"

He's got a yard full of limousines a few years out of style  
Speedometers reading that they won't go another mile  
All the batteries are dead, but one's got a backseat bar  
Nothing but the best in groceries, gas and used cars

Well, I filled up my tank and I ate a couple candy bars  
Played the jukebox and I asked the price of his cars  
I tacked my picture on the wall like a great big Nashville star
