

## Over There

Gene Watson

I've got a home so much better waiting for me over there  
Got me a friend I can lean on, I feel stronger just knowing that  
He cares  
I've got a fire, keep it burning, I've got a light, gonna let it  
shine  
Got me a prayer wheel, I'll keep it turning  
I believe we'll be together, hallelujah, when we reach the other  
side

There'll be a day of rejoicing and it will last forever over there  
(over there), over there (over there)  
The choice is yours and you can make it, if you want to live forever  
over there (over there), over there (over there)  
There'll be no crying, no more dying, all God's children will be  
satisfied  
Oh, I believe, hallelujah, I believe that we'll meet on the other  
side (over there, over there)

If you love now for your brother, he gave you a bell, so let it  
ring  
You got a song, better keep on singing, you'll be known by the  
songs that you sing  
You've got a fire (you've got a fire), keep it burning (keep it  
burning)  
You've got a light, so let it shine (let it shine, yeah)  
You've got a prayer wheel, keep it turning  
And we'll all be together, hallelujah, when we reach the other  
side

There'll be a day of rejoicing and it will last forever over there  
(over there), over there (over there)  
The choice is yours and you can make it, if you want to live forever  
over there (over there), over there (over there)  
There'll be no crying, no more dying, all God's children will be  
satisfied  
Oh, I believe, hallelujah, I believe that we'll meet on the other  
side (over there, over there)

There'll be a day of rejoicing and it will last forever over there,  
over there  
The choice is yours and you can make it, if you want to live forever  
over there, over there  
There'll be no crying, no more dying, all God's children will be  
satisfied  
Oh, I believe, hallelujah, I believe that we'll meet on the other  
side

(There'll be a day of rejoicing and it will last forever over t

here, over there)

(The choice is yours and you can make it, if you want to live forever over there, over there)

There'll be no crying, no more dying, all God's children will be satisfied

Oh, I believe, hallelujah, I believe that we'll meet on the other side (over there, over there)
