

London Can You Wait

Gene

My kith and kin
I have sinned
I didn't hear the siren, or see him giving in
My kith and kin
I have sinned, again
He said
"London, can you wait
For all the things I have to say
London, can you wait?"

My kith and kin
I have sinned
The alarm rang loud, the lights were on
And I didn't see a thing
My kith and kin
Death just walked in, again
He said
"London, can you wait
For all the things I have to say
How long can you wait?"

I was having the time of my life
So why did you have to die?
I'm lost
Again
