London Can You Wait

My kith and kin I have sinned I didn't hear the siren, or see him giving in My kith and kin I have sinned, again He said "London, can you wait For all the things I have to say London, can you wait?" My kith and kin I have sinned The alarm rang loud, the lights were on And I didn't see a thing My kith and kin Death just walked in, again He said "London, can you wait For all the things I have to say How long can you wait?" I was having the time of my life So why did you have to die? I'm lost
