

The Looker

Gene

And these are the last words I'll ever write
Meet me tonight,
Meet me tonight,
Meet me tonight
And this is the last time
I'll ever bring you
I know what you do,
Know what you do,
Know what you do
And I've been saving up
I really need a looker
I beg you please
Give me what I need and
I will love you for an hour
And these are the last words
I'll ever sing
Oh do your thing,
You know what I mean,
Oh do your thing
And this is the last time
I'll ever call you
Oh I know what you do,
Like what you do,
Need what you do
And I've been saving up
I really need a looker
I beg you please
Give me what I need and I will love you for an hour
Give me what I need and I will love you for an hour
Give me 40 quid and I will love you for an hour
Give me what I want and I will love you for an hour
We'll call it 30 quid and I will love you for an hour
