Generation X

Youth youth youth  
Youth youth youth  
Never wanna be an adult  
Always wanna be in revolt

Youth youth youth  
Youth youth youth

Don't wanna spend my life saving up for things  
Don't wanna have what a steady job brings  
I don't want security  
Don't want responsibility

Don't wanna stay at home not making any noise  
I've always got to be out  
I've always got to have a choice  
I don't want security  
Don't want responsibility

Youth youth youth  
Youth youth youth

I don't want no uniform  
I don't want no book of rules

Youth youth youth  
Youth youth youth

Never wanna be an adult  
Always wanna be in revolt

Youth youth youth  
Youth youth youth

I don't want no uniform  
I don't want no book of rules
