

Kid

Generationalis

Kid, what changed your mood?
You've gone all sad, so I feel sad too
I think I know somethings you never outgrow
You think it's wrong
I can tell you do, how can I explain?
If you don't want me to

Kid, my only kid
You look so small, you've gone so quiet
I know you know what I'm about
I won't deny it
But you forgive, and you don't understand
You turn your head, you dropped my hand
All my sorrow
All my mood, all my sorrow

Shut the light, go away
Full of grace
Cover your face

Kid, gracious kid
Your eyes are blue
But you won't cry, I know, angry tears
Are too dear, but you won't let them go
