

## Say When

### Generational

Old word is that you turned your nose up  
Fancy that they don't doubt it  
But I thought it might be too soon to  
Cop to that but how about it  
I know that we don't talk  
About going back again  
What's the worst that could happen  
When you get the right amount?  
Say when  
Don't forget you don't have to  
Kiss the ring they can't make you  
But that doesn't mean they don't hate you  
Just because you do  
I know that you don't talk  
About going back again  
What's the worst that could happen  
When you get the right amount?
