

Centrefold

Genesis Owusu

The black dogs are back with another one
I said the black dogs are back with another one!

I can't say I don't lust for you
Turn a fuss for you
I'm a must for you, yeah
I can say I got love for you
But I lied, yeah, hahaha
I can't say that it's just for you
Turn your trust on you
To a rust on you, yeah
I can't say I'll adjust for you
I ain't try

You my centrefold, yeah
Take you off your toes, yeah
You my centrefold, yeah
Take you off your toes, yeah

Yeah, yeah, yeah, yeah, yeah
Back with another one, back with another one
Oh, I just can't get enough
How could you expect me to
You are me, I am you

Yeah, what I want from you
I'ma haunt from you
I'ma seep into your bones
Bae, what I want to do
I'ma flaunt right through
Turn your place into my home
Know this is nothing new
Just enjoy this view
Put my fangs into your dome
I thought you knew this zoo
Don't you fight me boo
I'ma take, I'ma take your soul

You my centrefold, yeah
Take you off your toes, yeah
You my centrefold, yeah
Take you off your toes, yeah
