1. Stay with me, my love I hope you'll always be
Dm G C Am7 D
Right here by my side, if ever I need you, oh my love

In your arms, I feel so safe and so secure
Every day is such a perfect day to spend, alone with you

R: I will follow you if you follow me

All the days and nights that we know will be
G Am D7 B7
I will stay with you if you stay with me
Em G C D
Just one single tear in each passing year

2. With the dark, oh I see so very clearly now
All my fears are drifting by me so slowly now, fading away

I can say, the night is long but you are here
Close at hand though I'm better for the smile you give, and
while I live

R: I will follow...
