

# In Hiding

Genesis

**Em** **A7**  
R: Pick me up, put me down  
**Em** **A7**  
Push me in, turn me round  
**Em** **A7**  
Switch me on, let me go  
**Em** **A7** **D**  
I have a mind of my own

**D** **F#m**  
1. In hiding  
**G** **Em** **C**  
Far from the city of night  
**D7** **G**  
and the factories of truth  
**Bm**  
I stand upon the mountain  
**Am** **D7**  
A million miles from my home  
**G**  
And the faces of fear  
**A7sus4** **A7**  
I have freedom to think

**D**  
2. In hiding  
I may take off my clothes  
that I wear on my face  
I float upon the river  
A million miles from the plains  
that are piercing the clouds  
I am lost in the beauty  
**D**  
In hiding

R: Pick me up...

**G** **A7sus4** **A7**  
I wish you were here

3. In hiding  
I lie silent at last  
I'm free from my past  
I walk among the tall trees  
This is beauty I know  
I'm in love with it all  
I have freedom to love  
In hiding

R: Pick me up... (2x)
