

Mad Man Moon

Genesis

Feel your body melt
Mum to mud to mad to dad
Dad diddley office, Dad diddley office
You're all full of ball

Dad to dam to dum to mum
Mum diddley washing, Mum diddley washing
You're all full of ball
Let me hear your lies, we're living this up to the eyes
Oooo - oooo - oooo - aa

Momma I want you now

And as you listen to my voice
To look for hidden doors, tidy floors, more applause
You've been here all the time
Like it or not, like what you got
You're under the soil
Yes deep in the soil
So we'll end with a whistle and end with a bang
And all of us fit in our places

With the guards of Magog, swarming around
The Pied Piper takes his children underground
Dragon's coming out of the sea
Shimmering silver head of wisdom looking at me
He brings down the fire from the skies
You can tell he's doing well by the look in human eyes
Better not compromise
It won't be easy

666 is no longer alone
He's getting out the marrow in your backbone
And the seven trumpets blowing sweet rock and roll
Gonna blow right down inside your soul
Pythagoras with the looking-glass, reflect the full moon
In blood, he's writing the lyrics of a brand new tune

And it's hey babe, with your guardian eyes so blue
Hey my baby, don't you know our love is true
I've been so far from here
Far from your loving arms
Now I'm back again, and baby it's going to work out fine

Can't you feel our souls ignite
Shedding ever-changing colours
In the darkness of the fading night
Like the river joins the ocean, as the germ in a seed grows
We have finally been freed to get back home

There's an angel standing in the sun
And he's crying with a loud voice
This is the supper of the mighty one
Lord of Lords
King of Kings
Has returned to lead his children home
To take them to the new Jerusalem
