Arms

Brave Free of consequence Slaying The camel's gash Pine marks his passing well

One won't do Armed twice for push up's sake Arms like these swing a state Arms like these hug the law Arms like these flail when our songs hit a desert bride Arms like these cross when they're locked in a draped pine box

Shock, it's a shock - trees in lee never leaved armies
Shock, it's a shock these trees
Shock, it's a shock - trees in lee never leaved bits of me
It's a shock, it's a shock
