

## Be Cool

## Gentle Bones

We get it now  
Quit actin' a fool  
Ain't nobody like you when you tryna be cool

We can figure out where we're gonna' fit  
Lightning in a bottle, we just conduits  
Tryna map out our own constellations  
Trust in the journey, not the destination

Don't know what's the use?  
Can't even believe the news  
Tellin' me what to do  
And I'm so confused  
Lost in the things that we knew

But we get it now  
Quit actin' a fool  
Ain't nobody like you when you tryna be cool  
There's no room for doubt  
Don't play by their rules  
Ain't nobody like you when you tryna be cool

Be cool  
Why are you tryna be cool?  
Be cool  
Why are you tryna be cool?  
Be cool  
Why are you tryna be cool?  
Be cool  
Why are you tryna be cool?

Just stop  
'Cause you know this  
In all good time, you will notice  
Yeah, love's the only thing that will last  
So just talk to my soul, baby, you'll know I

Don't know what's the use?  
Can't even believe the truth  
Stop tellin' me what to do  
'Cause I'm not amused  
Tired of the lies we pursue

But we get it now  
Quit actin' a fool  
Ain't nobody like you when you tryna be cool  
There's no room for doubt  
Don't play by their rules  
Ain't nobody like you when you tryna be cool

Be cool  
Why are you tryna be cool?  
Be cool  
Why are you tryna be cool?  
Be cool  
Why are you tryna be cool?  
Be cool

Why are you tryna be cool?

Why you gotta be so cool, cool, cool, cool?

Why you gotta be so cool, cool, cool, cool?

Why you gotta be so cool, cool, cool, cool?

Why you gotta be so cool, cool, cool, cool?

Why you gotta be so cool, cool, cool, cool?

Why you gotta be so cool, cool, cool, cool?

Why you gotta be so cool, cool, cool, cool?

Why you gotta be so

Be cool
