

Help!

Gentle Bones

Yeah, you spend every minute that you shouldn't doing anything to get to me
Say you'd be every little thing I need 'cause you want me

We're so uncomfortable, but don't we already know
We're too in love, it seems we can't help ourselves

Oh, we can't help
We can't help ourselves
Oh, we can't help
We can't help ourselves

Oh, we can't help
We can't help ourselves
Oh, we can't help
We can't help ourselves

Yeah, you feel put together even though you're not, when I'm around with you
We should date, hate leaving it to fate, how we relate

We're so compatible but you swear you want it more
You know you're beautiful, still, you can't help yourself

Oh, you can't help
You can't help yourself
Oh, you can't help
You can't help yourself

Oh, you can't help
You can't help yourself
Oh, you can't help
You can't help yourself

Made you this song
And I could be wrong
But it doesn't really matter to me
You sing-along
But do we belong?

You've always been a lover
How long do we have to repeat?
'Cause I know you make me sin, you make me weak
I'll love you when you're empty
Just like in the movies
Baby, hold it down if it gets crazy for you

Leave me all your worries
This is how it's supposed to be
Baby, hold it down if it gets crazy for you
'Cause I can't help myself

Oh, we can't help
We can't help ourselves
Oh, we can't help
We can't help ourselves

Oh, we can't help
We can't help ourselves

Oh, we can't help
We can't help ourselves

We're so uncomfortable but we can't help ourselves
We're too in love, it seems we can't help ourselves

We're so compatible but we can't help ourselves
You know you're beautiful, still, we can't help ourselves
