

# Life Goes On

## Gentle Bones

Life goes on  
I'll be waiting  
Pick me up  
I'm falling for you  
Yeah, I'm falling for you  
But life goes on

Just another day now  
A weekend without you  
And I break down  
Afraid that you're over and done with  
Just wanna find out too  
If you're feeling the same  
'Cause I can't

Just another way round  
When you and me have settled down, yeah  
And I love you where it counts  
Without the need for showing  
All this time I've been waiting for you

Life goes on  
I'll be waiting  
Pick me up  
I'm falling for you  
Yeah, I'm falling for you  
But life goes on

Caught in makeshift spiral  
Get this song viral for you  
So I know you'll be listening  
I'm not sure if it's ever time  
To say these sappy words that are stuck in my mind

It's your call  
You're the silence, I'm paused  
But I don't want it any other way  
It goes on and on

Life goes on  
I'm here wishing  
Pick me up  
I'm falling for you  
I'm falling for you  
But life goes on

But if I'm wrong  
We'll be dancing  
Sweep you off  
Your feet under the moon  
Still falling for you  
But life goes on

Life goes on  
On and on and on and on  
I'm falling in love again  
Yeah, it goes on and on and on, yeah

I'm falling in love  
Not the same as it used to be  
It won't change for you and me  
On and on and on and on  
Yeah, it goes on and on and on, yeah  
It goes on  
But life goes on, life goes on
