

## Shifting Over

Gentle Bones

Shifting over, shifting over my bed  
All left unsaid, drifting over  
Well I told her only over my dead body  
I would be beholden

Why'd you make me believe indefinitely  
For somehow, I would plead for nothing  
More than you please

Oh, and now I just  
Don't know, I don't know, I don't  
Now let me just  
Go home, I'll go home alone  
Oh baby I just  
Don't know, I don't know, I don't  
Now let me just  
Find my way home on my own

Was it you that in the midst of my dreams  
Never let another fall for you  
Endlessly, I see all the faces they go, go alone

But why'd you make me believe indefinitely  
For somehow, I would plead for nothing  
More than you please

Oh, and now I just  
Don't know, I don't know, I don't  
Now let me just  
Go home, I'll go home alone  
Oh baby, I just  
Don't know, I don't know, I don't  
Now let me just  
Find my way home on my own

I've got enough  
I want nothing to do with you dear  
Take me away now  
Just take me away from here  
Away from here  
Away from here  
Away from here

I've got enough I want nothing to do with you dear  
Seized half my heart now it's hardly impartial, I'm sure  
Find my own way now  
I'll find my own way from here  
Take me away now, just take me away from here  
Take me away now, just take me away
