

## Face Off

Gentleman

Intro:

fire-starter blaze it  
what me seh we fi do put down put down the gun deh  
yes this is gentleman and anthony b  
this is not a story this is reality

chorus:

You nuh have no time fis dis no time fi dat nu time fi listen just a chat fa  
ce off-always wearing a mask  
no time fi love no time fi joy squeeze your trigger like a toy ease off-  
before you come to past...

dutty works dutty pay just like a candle you will melt away  
if you could hear waht you say me think you never woulda act this way

you tell me you a gunman  
you nuh care who you turn your gun pon any guy  
disrespect you dun one hey mr. badman the fire nuh stop bun pon

You nuh have no time fis dis no time fi dat nu time fi listen just a chat fa  
ce off-always wearing a mask  
no time fi love no time fi joy squeeze your trigger like a toy ease off-  
before you come to past

hey stop the killin' killin' killin' you nuh hear seh me nuh want no blood s  
pillin' spillin' spillin'  
you go murder your brother for a shillin' shillin' shillin' hey bloodsucker  
try fi escape me take the firebun

tell you stop the ism and you tell me seh you caan tell you fi do better and  
you tell me seh you nuh  
like a siren you just a waan waan waan better you go left the dutty glock o  
utta your draw  
haga your muma and a doga your pa like a wild animal you njam tings raw badd  
er than the riddim wha dem call catpaw anthony b come school the outlaw

You nuh have no time fis dis no time fi dat nu time fi listen just a chat fa  
ce off-always wearing a mask  
no time fi love no time fi joy squeeze your trigger like a toy ease off-  
before you come to past

too much blood runnin' me nuh dem spend no time pon lovin'  
woman ball seh dem every man seh dem a badman hafi deh pon the street out de  
m turing

right ya know you buring and you soon a burn out take a left turn and you go  
ne the wrong road  
sucking out the food outa the suckeling mouth man you doing wrong and there  
is no dought abouot

chorus:

You nuh have no time fis dis no time fi dat nu time fi listen just a chat fa  
ce off-always wearing a mask  
no time fi love no time fi joy squeeze your trigger like a toy ease off-  
before you come to past

put down put down put down put down the gun deh

stop stop stop stop stop spoil the youths dem fun deh

dutty works dutty pay just like a candle you will melt away  
if you could hear waht you say me think you woulda never act dis way

so make me warn dem make we teach dem make we show dem how believe  
nuh go down 'cause we always positive yo-  
hail rastafari burn the dirty bridge

ell you stop the ism and you tell me seh you caan tell you fi do better and  
you tell me seh you nuh  
like a siren you just a waan waan waan better you go left the dutty glock o  
utta your draw  
haga your muma and a doga your pa like a wild animal you njam tings raw badd  
er than the riddim wha dem call catpaw anthony b come school the outlaw
