

Humanity's Glory

Gentleman

Hard work and dedication
Uplift any nation
No matter how the situation

Bless up the people who a step up ina life
Working for humanity's glory
From you know what you doing is right
Time is gonna tell the story
Nuff a dem we see dem living uptight
So dem gonna fret and a worry
But from you know what you doing is right
Time is gonna tell the story

Heart hafi clean, mind hafi pure
Lock the machine no skull nuh fi bore
We deh pon the scene and we want feel secure
Cause the people can't take it no more
Me seh gwaan fly the gate and open up the door
Revolution in the street this is not like before
If a hate dem a come with we got love and that's the cure
Glorious things can never be ignored

Bless up the people who a step up ina life
Working for humanity's glory
From you know what you doing is right
Time is gonna tell the story
Nuff a dem we see dem living uptight
So dem gonna fret and a worry
But from you know what you doing is right
Time is gonna tell the story

Nuff a dem a shark and nuff a a dem a whale
Dem don't have no heart and dem want see you fail
Dem duck up ina the dark and dem want curtail
But dem can't stop da ship from sail
Certain people never change dem love to blackmail
Dem want kill the righteous with dem hammer and dem nail
But one day dem train will come off a the rail
We say love over hate will prevail

Bless up the people who a step up ina life
Working for humanity's glory
From you know what you doing is right
Time is gonna tell the story
Nuff a dem we see dem living uptight
So dem gonna fret and a worry
But from you know what you doing is right
Time is gonna tell the story

Bless up bless up a that we say
No stress up stress up go search fi a way
Nuff want give it up one see dem gone astray
Dem nuh want be around fi see another day
Ambitious and be focused
Dem want fi treat you like you ina circus
Dem see you and dem don't know your purpose
But a love we come fi give dem ina surplus
