

## Warrior

## Gentleman

I'm tryin' to run  
But the warrior in me won't run away  
I try to hide  
But the soul inside of me wanna stay

A million times or more I thought it was the end  
But here I am  
Still standing the lion rose again  
Many have tried with tribulations among the way  
But now I know  
My faith is stronger than my fear

I try to run  
But the warrior in me won't run away  
I try to hide  
But the soul inside of me wanna stay

Mi have mi life mi alive so mi still a fight back  
Mi nah go run, mi nah go run  
Mi a go bounce right back  
No retreat, no surrender, mi jus' cyah stop  
See di wicked dem ah rise with the rat-tat-tat-tat  
So mi buss a likkle flya an dem scatta-scatter  
I pray to God to have wi back  
With Him we firm like a rock  
We ah warrior we jus' cyah stop

I try to run  
But the warrior in me won't run away  
I try to hide  
But the soul inside of me wanna stay

A heart that beats must know  
What love is all about  
And is not afraid  
Not scared to stand up tall and say  
I'm that mountain that goes way up in the sky  
You can't take me down  
No matter how you try

I try to run  
But the warrior in me won't run away  
I try to hide  
But the soul inside of me wanna stay

Clarity, confidence nuh more escaping  
No more hiding, retreat our barriers are breaking  
Love inna we heart, no time for hating  
Because we still have we life and now we celebrating  
An everyone have a purpose no boderating  
Give the man a strength try to elevate him  
And it we elevate yourself and blessings it will bring  
Moving to higher heights and sing

There's nobody to stop me  
There's no shadow of doubt in my mind  
So whatever comes I will face it

I'm gonna be great  
With a change, I will shine

There was a lot confusion  
Now mi go suh boom  
And don't get caught up in a illusion  
Still smell a revolution  
We ah go higher don't stop the evolutio, no  
Love is the only solution  
Seek and you will find your way in a di valley of decision  
No more mental pollution  
Reliability, serenity, that a the right fusion

I try to run  
But the warrior in me won't run away  
I try to hide  
But the soul inside of me wanna stay

Warriors and proud
